THESE MEMORIES HAVE BEEN BROUGHT TO YOU BY . . .

Every year a dedicated group of people get together to plan, create, and produce a yearbook. The yearbook is a look back at the good times and the bad. It reflects the moods of the time, and provides a permanent record of events that gradually fade from memory.

The 1982 Wildcat was designed with all these things in mind. On these pages you will find pictures of cherished friends and special times. Every time you flip through these pages you will discover something new. And you will be thankful that a dedicated group of people worked for hours designing every page, cropping every picture, writing every article, sketching every piece of art.

These people are the nucleus of the yearbook staff. They are the first to offer their talents and the last to give up working for the night. They work steadily, typing, cropping,

Third Row: R. Pool-Harris, T. Oxholm, W. Roussel, E. Valpey, C. Lawrence. Second Row: D. Mackenzie, N. Allen, T. Mitchell, K. Webster, J. Davis, E. Luring, M. Chen, S. Lawley. First Row: B. Hewitt, K. Mackenzie, C. Hewitt, B. Widdoes.

and designing, giving their time so that you can have something to hold, something to look at, something to remind you of your high school days. Of the dozens of people who volunteer to help, and the others who attend but one or two work sessions, these few are responsible for the pages you see here. And we, the editors of the 1982 Wildcat, would like to thank these people. We are deeply grateful to the photographers, the artists, the fund raisers, and the section editors. We appreciate the devotion of every single person who put in hour upon hour of work and time. They made the 1982 Wildcat what it is, and we're proud that we could be a part of such a wonderful group.

THE CLASS OF 1982: A LOOK BACK

When it all began, we found ourselves groping our way through a seemingly impossible maze of new obstacles. We had to avoid the hazing and the daily abuse as we tried to get our unrooted feet planted in this foreign soil. As we settled down, we made lasting relationships and began to feel more at home. The seniors became our idols and our year started to fly by. The seniors became only memories as we became sophomores.

Our next year was easier, as we had a year under our belts and one step up on the ladder toward seniority. The core of our class made its entrance with espirit de corps. Sophomore year brought about the formation of many tight friendships that were to be cemented by the many experiences and wild times to come. One of these was playing together on the same teams. Winning together, losing together, and enjoying it together no matter what the outcome. Our love for each other grew stronger as we experienced more and more things. We joined together and helped each other through the hard times, like Mr. Child's English Class. We also said good-bye to some great teachers: "The Mad Frenchman", Mr. DesChamps; "Howg Doody", Mr. Lind, a mellow cat if there ever was one; and especially Mr. Long, who always held things together when the going got rough. He was not to be gone for long, though. When the seniors left after graduation that year we climbed into a new section of seats across the Chapel and eyed the middle senior section with anticipation.

Junior year began with some major changes in the administration and many new faces in the faculty. We lived through some of the major renovations in the changing face of V.A.: "Pardon Our Dust," new pipes, in front of Fuller, and new bathrooms for the "Slum". The old traditional "Grove" was moved from the armory to Mr. Steindler's basement and eventually back to a garage in the armory. Nevertheless, it was still a home for many. The campus was invaded by Doves and mice.

Athletics that year were at a high point. Our lacrosse team enjoyed great success in sweeping the Northern New England and Lakes Region Championships with a 10-1 record. Our Ski Team won the Prep School Championships with a young team that is going nowhere but up.

It was a year of many radical pranks. Chairs toppled on stage, the old Slum III bathroom was removed without the use of hired help, and the springtime air was filled with the music of fireworks. We were forced to say good-bye to a few of our best and most high-spirited friends Bruiser and Speedo, a bit too early. Graduation that year was both sad at seeing many good friends leave and extremely happy at the prospect of being seniors next year.

Finally, there we were; responsibilities and all dumped into our waiting arms. Seniors at last! We were greeted with a few new luxuries: a new student lounge, "the people's quad.", and a major change in V.A. life: boarding girls. Mr. Long just couldn't stay away and returned to keep the peace. Mr. Harrington left his duties as Dean of Students to one more to his liking: Athletics Director. We watched Mr. Chivers and Mr. Lucy retire only to see them find good excuses to continue giving their all to V.A. As a student body we fought for and earned permission to drink and the first visitation rights.

Time came to apply to the colleges of our choice and we bothered "Mr. T." endlessly. He always put up with us in good faith, however, because he cared about what kind of school we'd get into. Thank you!

We were primed for graduation and looking forward to the challenges and good times that college would provide us. Our stay at V.A. was a great one, and although we lost a few members along the way, we made it. Our congratulations to the thirteen of us who made it through four years at "The Academy", and all the rest who helped them along the way. From the class of '82, good-bye and good luck. We'll miss you all.

VARSITY SOCCER

The 1981 Vermont Academy Varsity Soccer team, under the direction of coaches Peter Caldwell and Rob Van Etten, proved to be worthy opponents to all who faced them this season. Their overall record for the season was 6, 7, and 2. The season was filled with high spirits and strong team work. At the traditional sports banquet, awards were given to Mark Pearson for most valuable player and to Eben Punderson for most consistant and reliable playing.

GIRL'S SOCCER

This year's Girls Soccer team had its most successful season, winning five out of their thirteen games. The greater number of girls strengthened the team immensely, along with the strong leadership of co-captains Laura Steindler and Claire Murray. The team had many returning players and a large number of new players. Though they lost eight games, they played well in every game and never gave up, showing admirable team spirit. Coaches Tewksbury and Gifford were quite pleased with their team, especially after the 5-3 victory over KUA in double overtime, in the final game of the season.

Back row: C. Gifford, C. Potter, S. Stevens, S. Ballou, A. Schlirf, S. Barber, A. Guerrero, H. Wehner, J. Davis, M. Lebel, T. Smith, M. Bailey, L. Stewart, C. Peterson, J. Brace, N. Allen, A. Carroll, J. Miller, D. Dougherty, P. Galligan, A. Baird, J. Colt, S. Brenner, M. Greene, M. Pettee, R. Wood.

J.V. SOCCER

The J.V. Soccer team had a lot of potential this year. Led by Coach Bill Keating and captain Mark Pettee, the squad ended the season with a record of four wins and ten losses. Many times V.A. gave up crucial goals on costly mistakes. Coach Keating is looking forward to a better season next year.

RESERVE SOCCER

Back row: R. Billmeier, M. Culkin, K. McAuliffe, E. Musikantow, A. Reneson, G. Back, S. Corbin, C. Edgerton, W. Edwards, P. Merrow, T. Armen, S. Gale, R. Michlin, J. Kindig. Front row: B. Rouse, P. Romeo, B. Hall, C. Michlin, J. Librett, D. Eckhardt, W. Jones, R. Gorsuch, J. Hooton, J. Holler, B. Scott, F. Ferris.

The members of the third soccer team showed a tremendous amount of effort during the season. This effort is evident in the season record of 5 wins, 1 tie, and 5 losses. Under the excellent direction of Coach Billmeier, the team's passing, kicking, and shooting improved a great deal. The players became an organized unit and played excellent soccer.

Fourth row: B. Harrington, R. Long, R. DeLong. Third row: R. Grant, M. Agnes, J. Starrett, T. TanCreti, J. Buchanan, S. Crotty, P. Freeborn, D. O'Connell, S. Boynton, O. Bagnardi. Second row: P. Oxholm, B. Richardson, B. Widdoes, J. Bruner.

VARSITY FOOTBALL

The Vermont Academy Varsity Football Team had a fairly good season, in spite of its intense schedule. It played some of New England's finest football teams and proved to be a tough competitor. This year's team had a great deal of talent, but its ability to play as a team fell a little short. Through defeats, victories, and demanding practices, the team was always able to keep up its high spirits. The E.K. Hall Award was presented to Seamus Crotty, and Garrett Wall received the John H. Lucy Award. Captains elect for the 1982 season are Ian MacLeod and Jay Starrett.

J.V. FOOTBALL

J.V. Football had a winning season this year. Their biggest win was against Holderness with a score of 42 to 8. Don Poole did an excellent job as quarterback throughout the season. Other players that did exceptionally well were Peter Petroni, Mark Zayac, Scott Hale, Shawn Kenniston, Robin Pool-Harris and Eric Ostebo. Coach Upton did a great job in coaching the team to their winning season of four wins and two losses.

Fourth row: P. Brewer, C. Barney, R. Bullock, S. Kenniston, R. Pool-Harris, R. Upton. Third row: R. McCutcheon, J. Skerrett, M. Angell, S. Oliver, M. Casey. Second row: K. Nilsen, E. Courant, C. Back row: R. Scott, J. Pendexter, R. Schultheis, M. Foster, A. Melville, T. Bronson, D. Mackenzie, B. Harrison. Front row: A. Griswold, C. Lawrence, R. Osborne, M. Campbell, S. Lawley, M. Stevens.

CROSS COUNTRY

Cross country running is a sport demanding a great deal of dedication. As any runner can tell you, running several miles every day is very demanding. Running a three mile course through the woods over rocks, mud, and wet grass can at times be frustrating.

Through the dedication of our coach, Mr. Scott, and the dedication of the team members, we were able to produce a winning season.

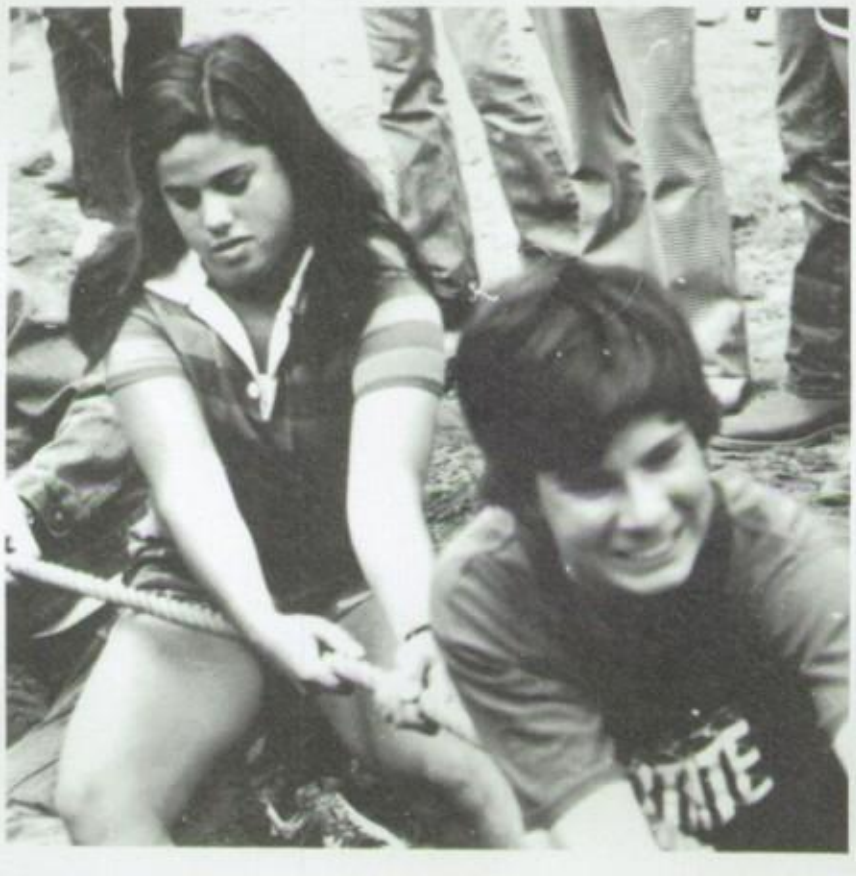
SPECIAL EVENTS

A DAY AS LUMBERJACKS

Lumberjack Day is an exciting day at Vermont Academy. Parents join their kids in inter-dorm competition in the fine art of lumberjacking. The agile climb poles, the daring attempt water pigging, and the strong gather at the mudhole to play tug'o' war. At lunch they take time out to picnic at scenic Bowle's Pond in the heart of Lumberjack Country. It is an eventful day that everyone looks forward to.

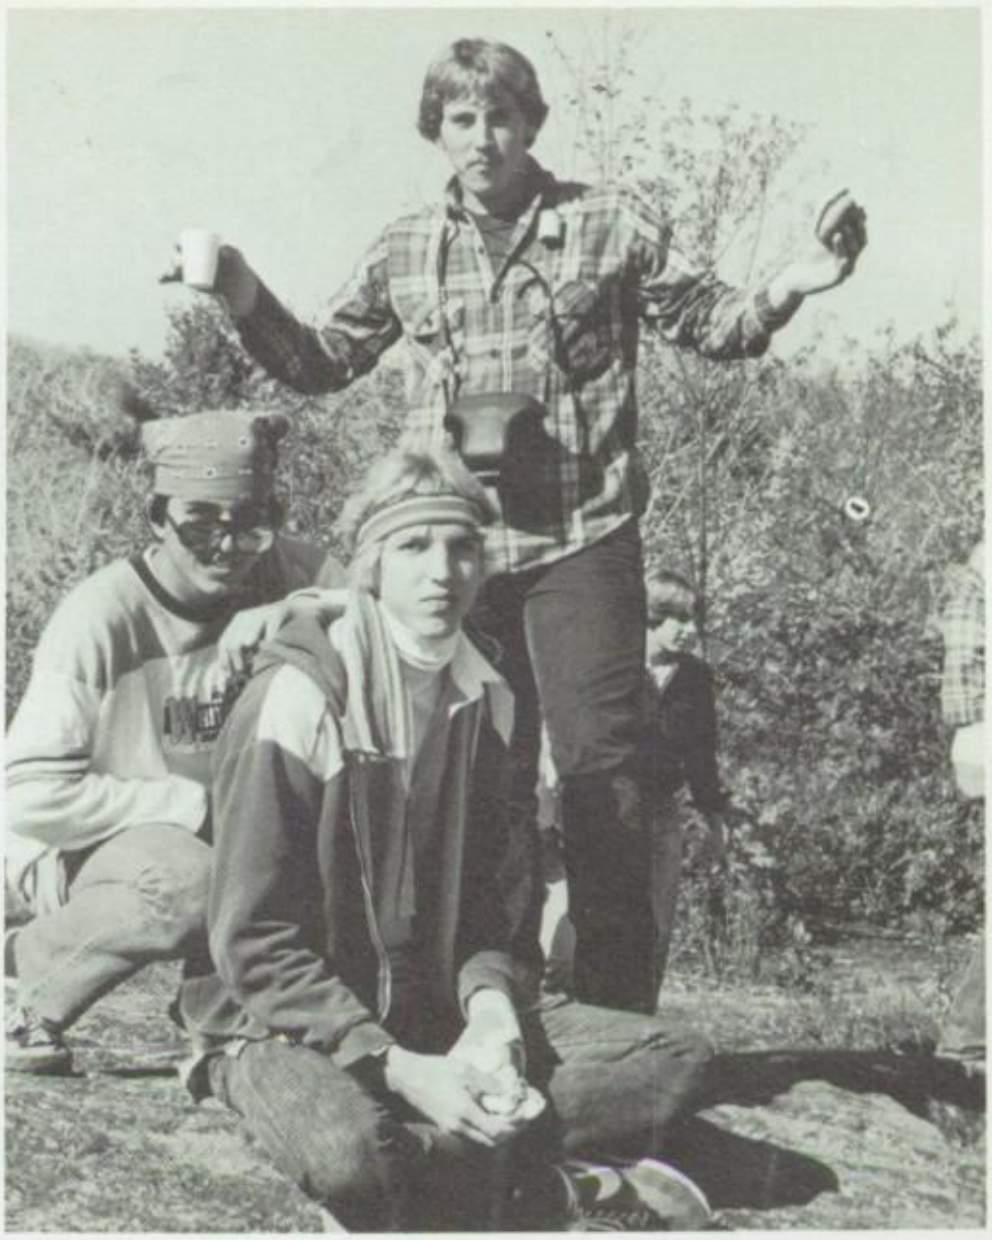


CHALLENGE '81

An observer would have thought he was on a military base watching basic training. Different colored platoons charging all over, crawling over logs, walls, and trying to pull each other into mud pits were everywhere. As the observer got closer he would have seen groups of kids having a great time, making new friends and becoming acquainted with their new home.

MOUNTAIN DAY

The rowdiness of Mountain Day has faded from Mother VA over the past three years, but this didn't hinder the heavy desire for the special day. Mountain Day roulette was going strong for several days before the actual Mountain Day. Now, Mountain Day is a day looked forward to by all classes. The Seniors traditionally go to Crystal Rock, while the Juniors and Sophomores go to the Leach Road Fram. The Freshmen visit Mr. Geist's property up on the mountain.

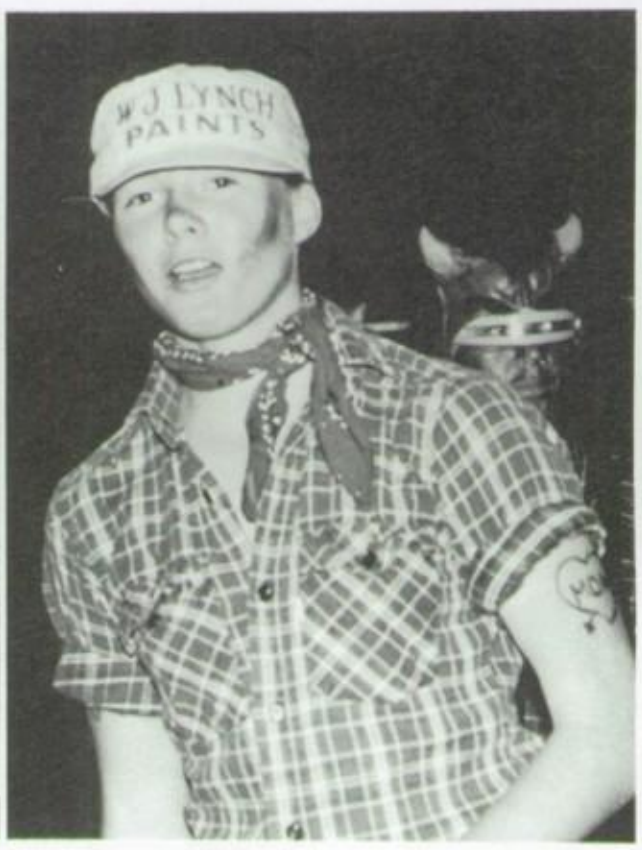


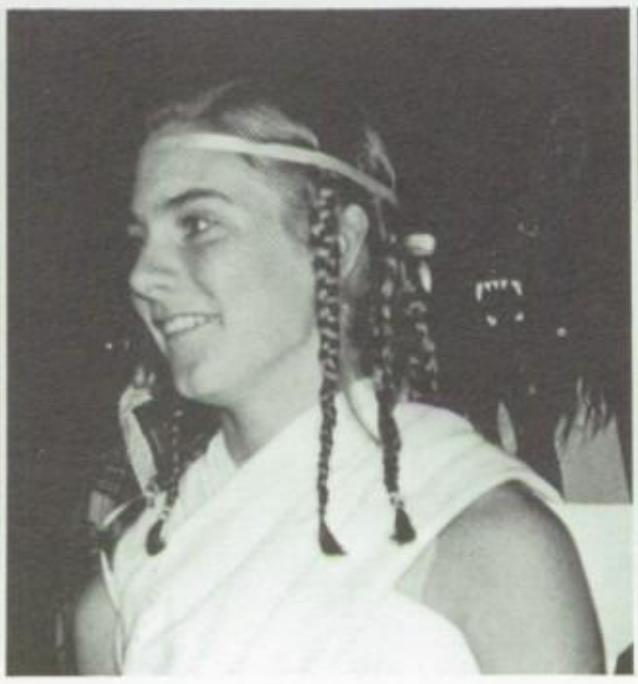
V.A. CABARET

For the second year, Vermont Academy presented a Cabaret. Admiring parents, students, faculty, and nearby residents were bombarded with comedy, song and dance routines such as Star Trek and numbers made up by the students, such as the Senior Skit. With equal enthusiasm each time, the hour long show was done twice in one night to receptive audiences. Although there was an incredibly large and determined cast, it could not have been done without courageous direction by Falko Schilling, Mary Hepburn, Robert Upton, and Deborah Michaels.

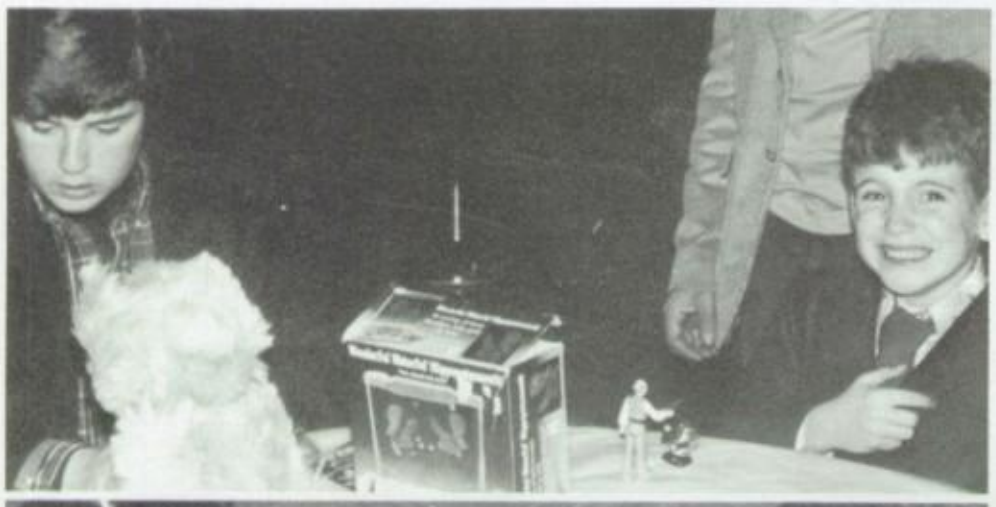
SPOOKS 'N' KOOKS

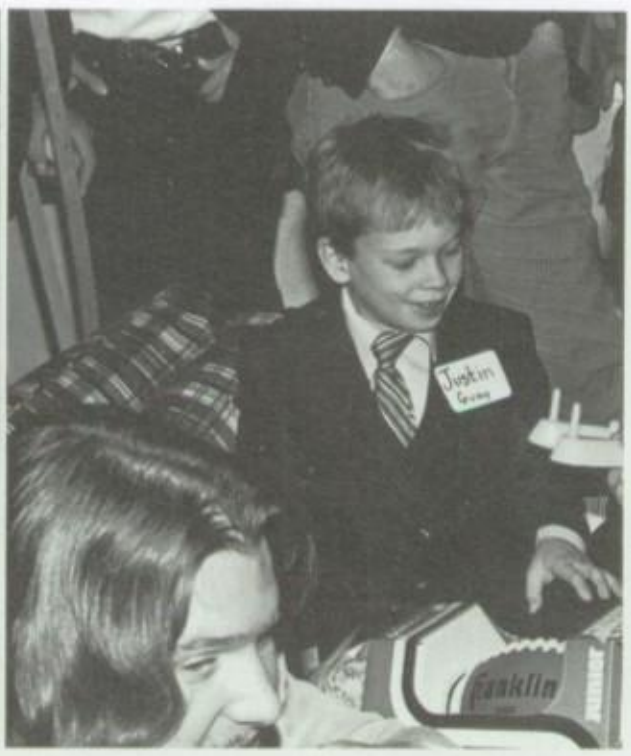
The annual halloween party challenges every student to come up with a unique costume. There are prizes given for various categories and for pumpkin carvings. Even the faculty get involved and win prizes!





KURN HATTIN





CHRISTMAS PARTY

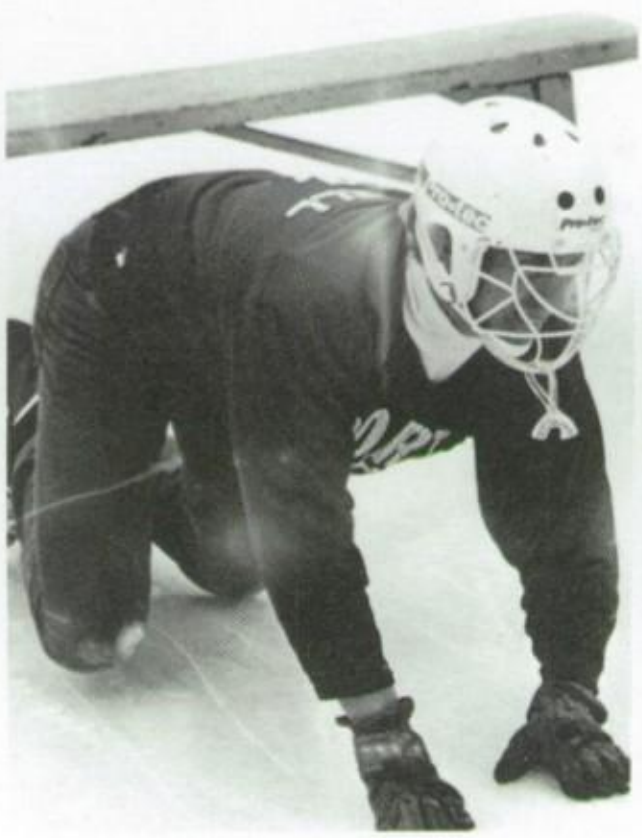
In step with V.A. tradition, this year's Kurn Hattin Christmas Party was a great success. Twenty-six children, whose lives are not always as cheerful as they might be, came to V.A. for an evening of fun and laughter. They were entertained by the humerous antics of Santa's elves and thoroughly enchanted when Santa Claus himself arrived to give them their presents.

Let us hope that their Christmases will always be this cheerful, and that V.A. will continue to contribute in such a generous way.

WINTER CARNIVAL '82

The 1982 Winter Carnival was a huge success. For the first time in several years we had enough snow to hold events such as snow shoe sprints and toboggan races. Also, there was plenty of snow for three groups to build snow sculptures. First prize went to the Jones I snow castle. First prize for the weekend went to Jones III.

Saturday evening there was a formal dinner which was attended by many couples. Following the meal was a dance featuring the band The Fans.



"GUYS AND DOLLS"

Every year the Vermont Academy Players put on a huge production. This year they continued the tradition by putting on a play called "Guys and Dolls", a musical about gambling guys and the dolls they fall in love with. Under the direction of Falko Schilling, the play was a huge success, drawing full houses at each showing.

ALPINE

Preparation for the Alpine Ski program began this past summer with a letter, to the competitors, explaining goals, expectations, and the nature of our program. Veterans and new faces alike attended our fall organizational meeting. Individual goals were set and the season's format explained.

The Vermont Academy Alpine team, this year, has more participating competitors than any other year in V.A. ski history. This year's team is earmarked by hard work, dedication, and a competitive attitude. The structural pre-season was split between physical, and mental preparation. Our training aids range from jump ropes to video tape machines. With this season's abundant snowfall we have been executing most of

SKI TEAM

our training at the V.A. ski hill across town. The rope tow services several fine training trails which are well maintained by Mr. Chivers and his lift attendents. Using our own hill allows us to host meets, train on snow daily, and gives many noncompetitive V.A. skiers a chance to experience a great sport.

Our qualities as a total ski program do not stem from just the immediate team or teams. The administration, maintenance, Arnie's Kitchen, the Business Office and many others have contributed over the years to make this year's Vermont Academy Ski Program the best ever.

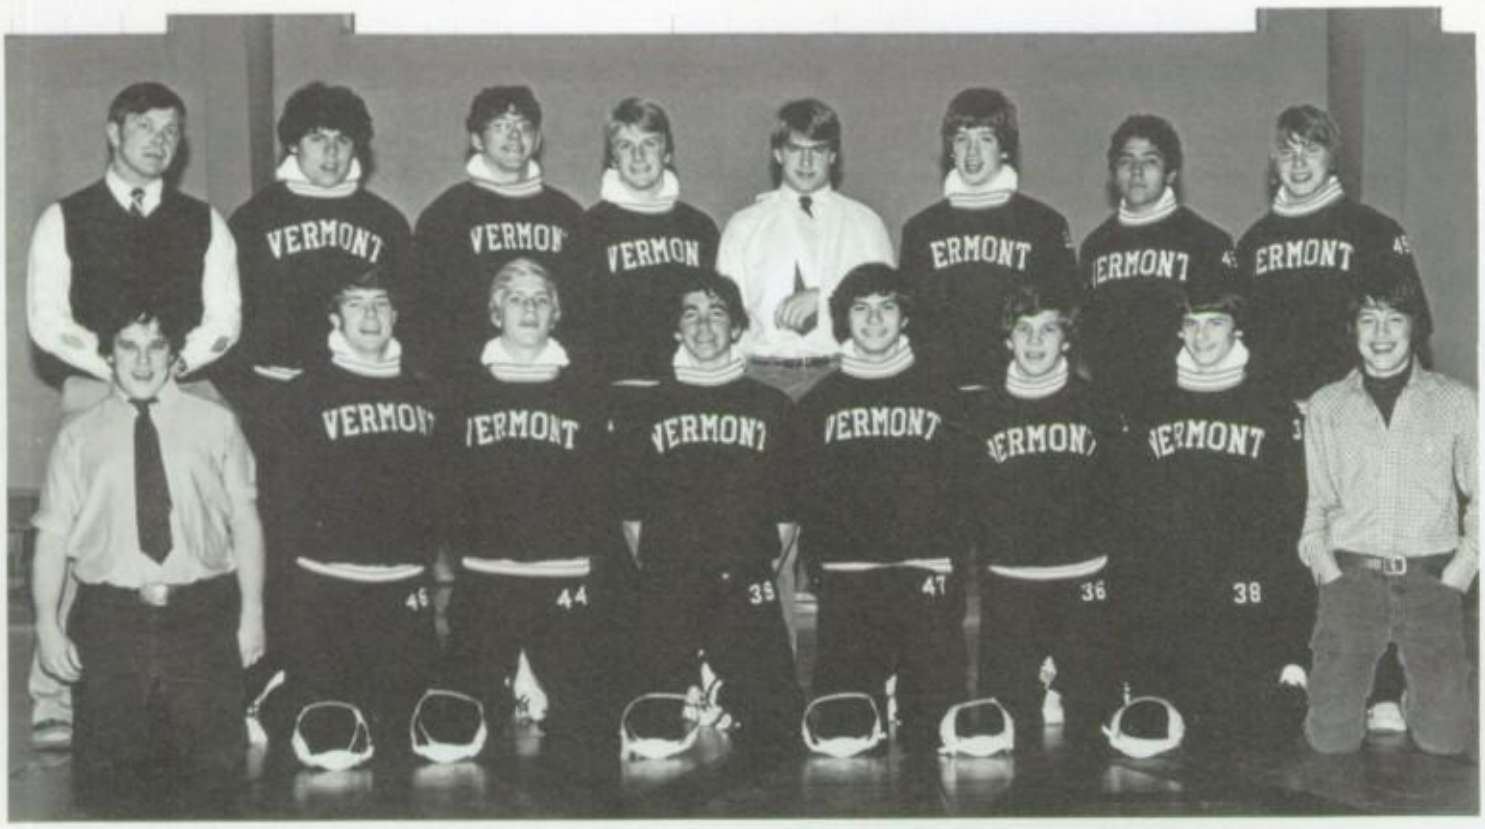
NORDIC SKI TEAM

Vermont Academy's Nordic team is blessed this year with plenty of snow and an enthusiastic crop of skiers. Although we do not have the experience of last year, our ranks have doubled in number. The team is led by senior Steve Poulin and junior Tiger Bronson. Fighting for the third spot on the team are seniors Scott Lawley and Craig Lawrence. Anne Guerrero is the only female on the team. Vermont Academy has been racing the eastern circuit as well as taking advantage of a series for juniors hosted by V.A., Putney School and Stratton Mountain School. With an ample number of races and hundreds of kilometers under our belts we are looking forward to another strong showing in the prep-school championships.

Mr. Campbell, E. Punderson, D. Sexton, D. Wilder, J. Gardner, J. Caddell, N. Gingrich.

JUMPING TEAM

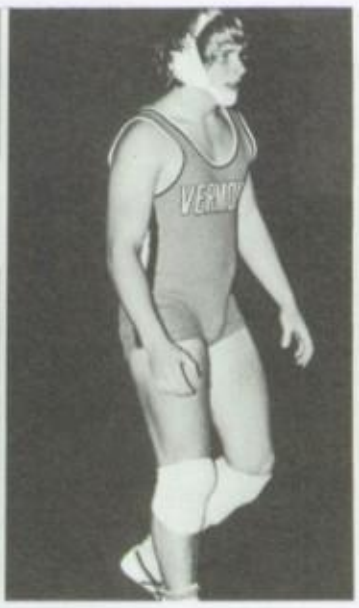
The Jumping team, with their small squad, placed consistantly throughout the season. Led by veterans Eben Punderson and Dave Wilder, the team showed great progress from meet to meet. Junior Dave Sexton showed great promise for next year's team. With the fine coaching of Mr. Campbell, the team looks forward to an even better '83 season.

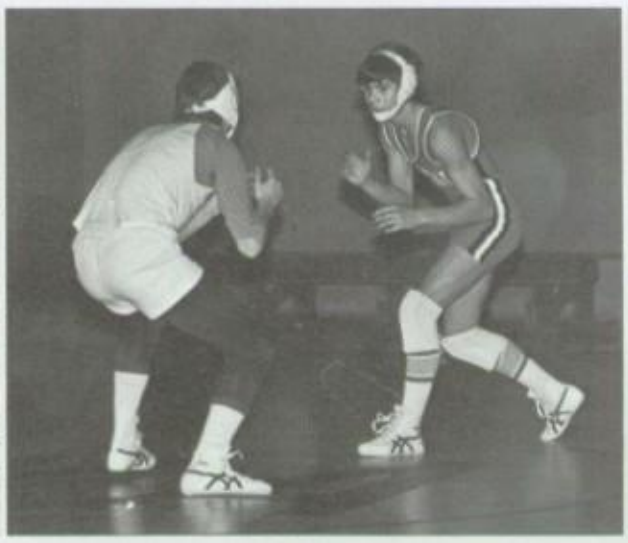


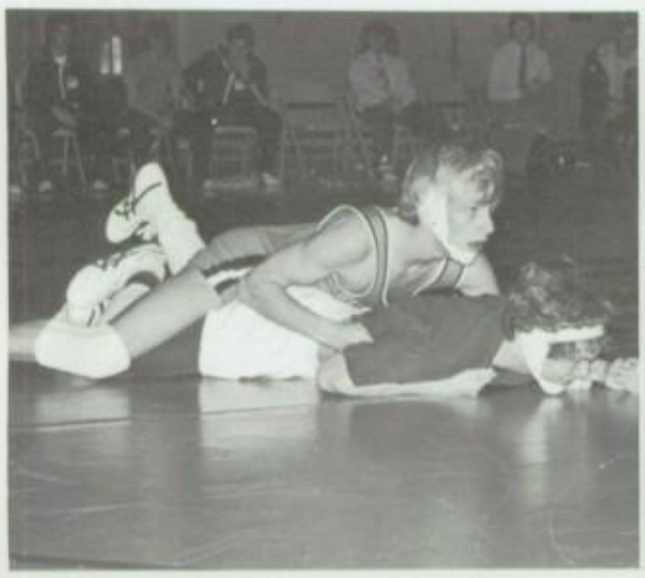
Back row: L. Wolcott, T. Xenakis, R. Bullock, A. Baird, E. Valpey, M. Austin, J. Skerrett, C. Barry. Front row: M. Morton, D. Peterson, D. Dougherty, P. Brewer, T. Julius, T. Julius, M. Warburton, R. Austin.

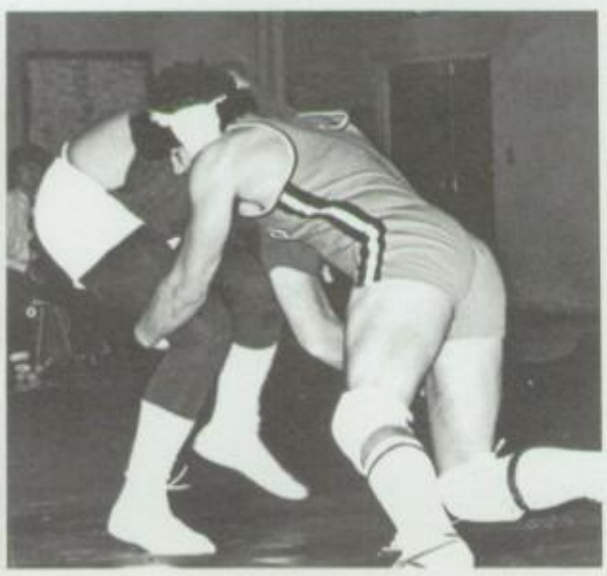
WRESTLING

With the strict and inspiring coaching of Mr. Wolcott, the first year Vermont Academy wrestling team earned the reputation of a potential strong horse in New England wrestling. The team challenged a vigorous schedule of experienced schools, and emerged as a threatening opponent. Each starting member had never wrestled before in competition and it was this inexperience that allowed V.A.'s opponents to capitalize on the team's small mistakes. As the season progressed, their small mistakes were replaced by the intuition to judge situations and positions, and the V.A. wrestlers began winning more and more individual bouts.









VARSITY RIFLERY

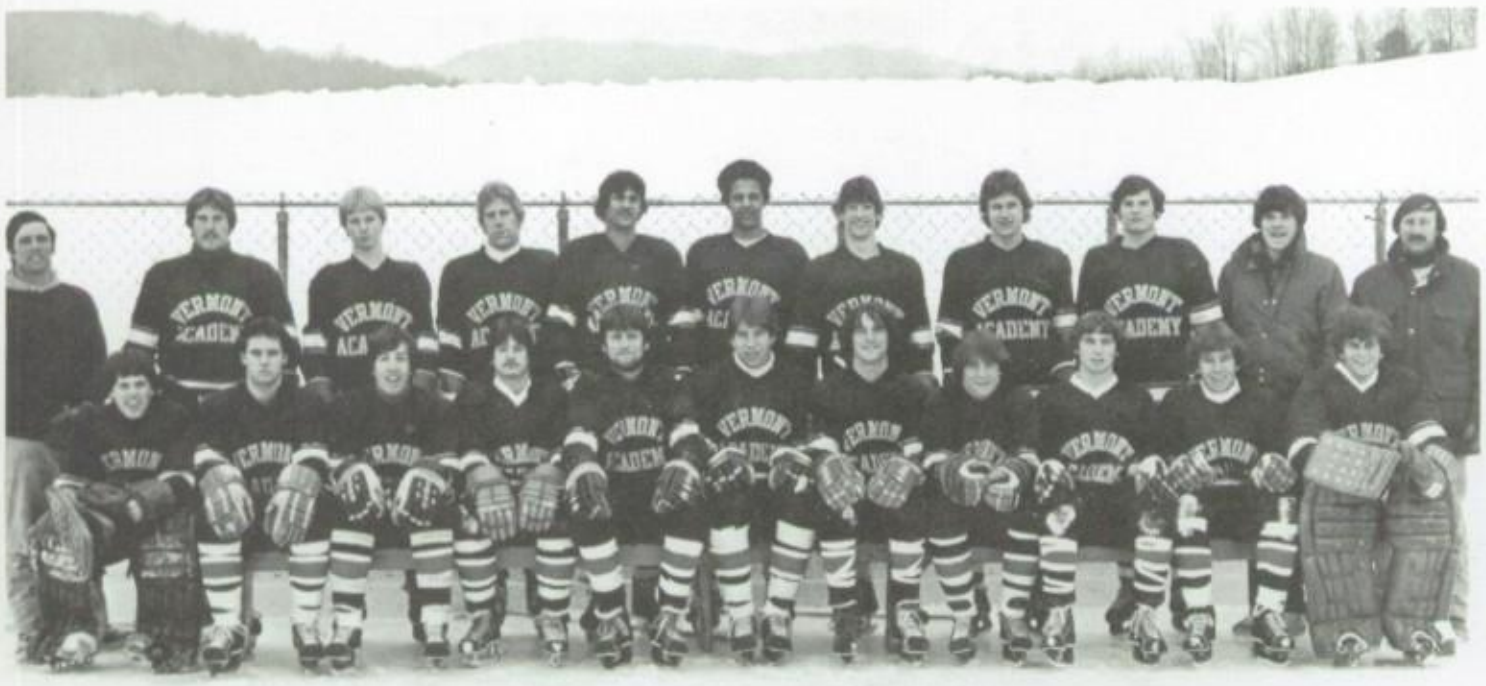
The Vermont Academy Varsity Riflery team had a good year. However, we did not have many matches. Tom Mitchell usually led the team in scoring. Captain Chip Hewitt and Rich Osborne fought for second and third places. Dave Mackenzie and Brian McPherson battled for fourth.

Coach Scott was the main reason for the team's success this year. Coach Scott gave up many of his hours to help the team.

This year we had four new shooters and six returning shooters. The team is going to lose four good shooters at the end of this season to graduation.

Back row: Mr. Scott, C. Hewitt, B. Greene, D. Perry, R. Pieth, R. Osborne. Front row: B. McPherson, B. Hall, T. Mitchell, D. Eckhardt, D. Mackenzie.

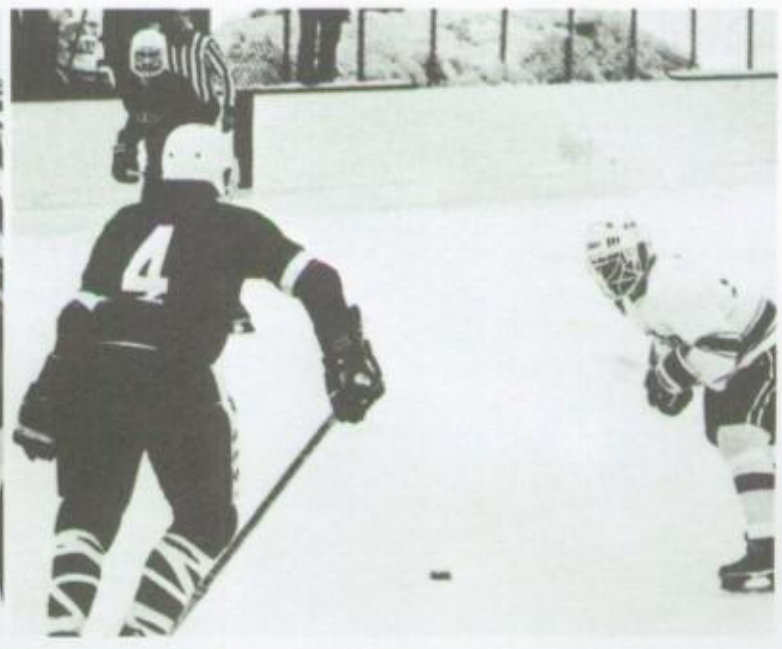
VARSITY HOCKEY



Back row: R. DeLonge, S. Mudgett, B. Pirkle, D. O'Connell, D. Glassman, A. Sherrod, C. Courtney, E. Ostebo, R. Grant, S. McKeon, J. Frey. Front row: R. Wood, R. Beckwith, K. Handler, M. Agnes, B. Richardson, D. Collins, R. Farrell, D. Poole, P. Norton, C. Jurkiewicz, B. Widdoes.

With five returning players, six post-graduates and a handful of returning J.V. players, the varsity hockey team proved to be a tough contender in the Lakes Region Division. Under the leadership of Jim Frey and captain Rich Farrell, the Wildcat's hockey team was capable of a quick scoring play. This year's team had a bit of trouble when its top goal-keeper injured his shoulder three days before hockey season started. When he returned after Christmas break, the team was confident they could challenge anyone.

Vermont played such teams as Deerfield and KUA to the best of their ability, but their efforts came up short. They still proved to be tops in the division with high scoring from Dave Glassman and tough goal tending by sophomore Randy Wood and senior Bill Widdoes.



J.V. HOCKEY

Third row: P. Kelly, M. Angell, S. Oliver, D. Raden, K. McAuliffe, Mr. DeLonge. Second row: G. Neilson, R. Pool-Harris, T. Oxholm, M. Pearson, O. Bagnardi. First row: T. Goodings, C. Mitchell, F. Salmon, T. McDonagh, T. Gorji, A. Reneson.

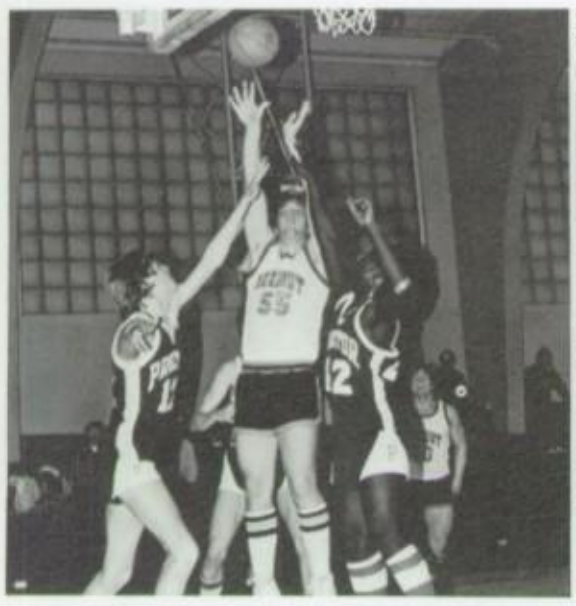
This year's J.V. Hockey team had its share of problems. The team, however, showed great strength in team spirit. The team worked hard on the basic skills and toward the end of the season managed to put those skills together.

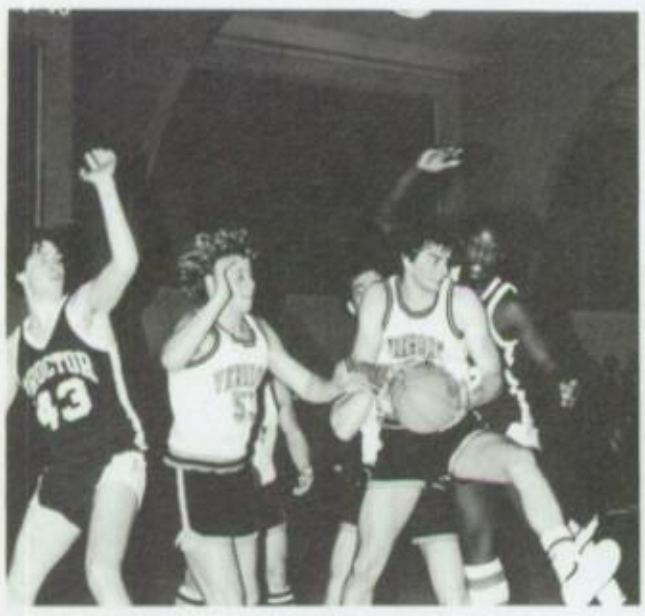
The captain of this year's team was Frank Salmon. Frank and Coach DeLonge did a great job of getting the team together so they could play a game like a team instead of a group of individuals.

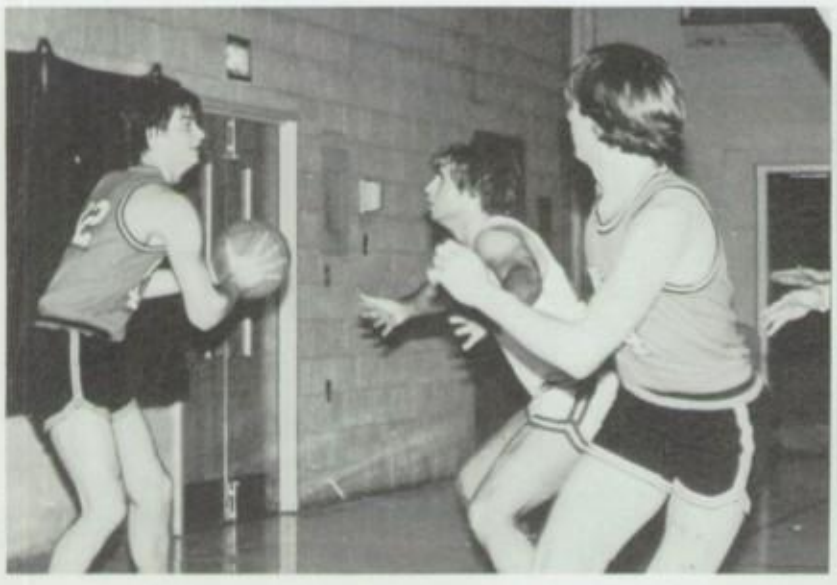
Back row: Mr. Keating, T. Tan Creti, S. Kenniston, S. Crotty, J. Buchanan, B. Scott. Front row: D. Mordecai, I MacLeod, R. Barrett, S. Scott.

VARSITY BASKETBALL

This year's team posted the best record of any basketball team in several years. The team was highlighted by high scorer Shawn Scott, with Seamus Crotty close behind. John Buchanan played excellent defense as well as ripped down numerous rebounds. Rich Barrett ran the offense exceptionally well; he also headed the defense, making some spectacular lay-ups. Mr. Keating is looking forward to a strong squad returning next year, with Ian MacLeod, Trace TanCreti, Shawn Scott and Brian Scott.







GIRLS BASKETBALL

The Girls Basketball team opened it first season of play in many years with a night game against Black River. Although the girls lost this first game, they worked hard to improve themselves for subsequent games. Under the leadership of co-captains Kelley Cota and Bonnie Millett, and the fine coaching of Carol Jacuzi, the team gained experience. Throughout the entire season they showed great spirit and determination. They look forward to next year's season when they will have a little expereience behind them.

Third row: C. Peterson, M. Lebel, L. Stewart, T. Smith. Second row: K. Mackenzie, S. Bullock, S. Barber, T. Thoma. First Row: B. Millett, K. Cota.

Back row: K. Dodi, C. Jones, B. LeFevre, J. Stevens, Mr. Geist. Front row: C. Stevens, S. Boynton, R. Gorsuch, W. Jones, J. Colt.

J.V. BASKETBALL

What the J.V. Basketball team lacked in numbers, it more than made up for in spirit and willingness to play. Under the experienced coaching of Mr. Geist, the team played aggressively and skillfully. It showed good spirit and teamwork against such teams as Tilton, Cushing and Williston. All in all, the team had a very good season.

FACULTY

DEDICATION

Traditionally, every Wildcat is dedicated to a faculty member who has given much of himself to the Vermont Academy community. This year the Class of 1982 is proud to dedicate the 1982 Wildcat to a man who has devoted himself to the school and the students for fifteen years: Franklin Geist.

Mr. Geist graduated with a Bachelors from the University of Michigan, than a Masters from Central Michigan. He has been in teaching for twenty-one years. He has taught mathematics from the algebra I level to advanced calculus. After two years he became chairman of the department. Also, he recently started a computer program that offers every student the chance to use the computer at some point in his or her high school career.

When he first came to V.A., he assumed the role of dorm master in Sturtevant. Often, he would invite the boys down to pizza or sugar on snow parties. Even since he moved out of the dorm six years ago, he has continued the tradition of pizza parties for various groups of students, such as the track team and the freshmen.

Mr. Geist has coached many teams for many years. He coached cross country, basketball, and track. He recently gave up the position of assistant athletic director so that he could spend more time strengthening the computer program.

Since 1968, he has been an integral part of a tradition that many of us look back upon with fondness: the Kurn Hattin Christmas Party. He has worked tirelessly, organizing toy-buying parties, gift-wrapping sessions, and the antics of the elves.

Mr. Geist gives a lot to the Academy and the students, and for this, we, the Class of 1982, are grateful. We thank you, Mr. Geist, and proudly dedicate the 1982 Wildcat to you.

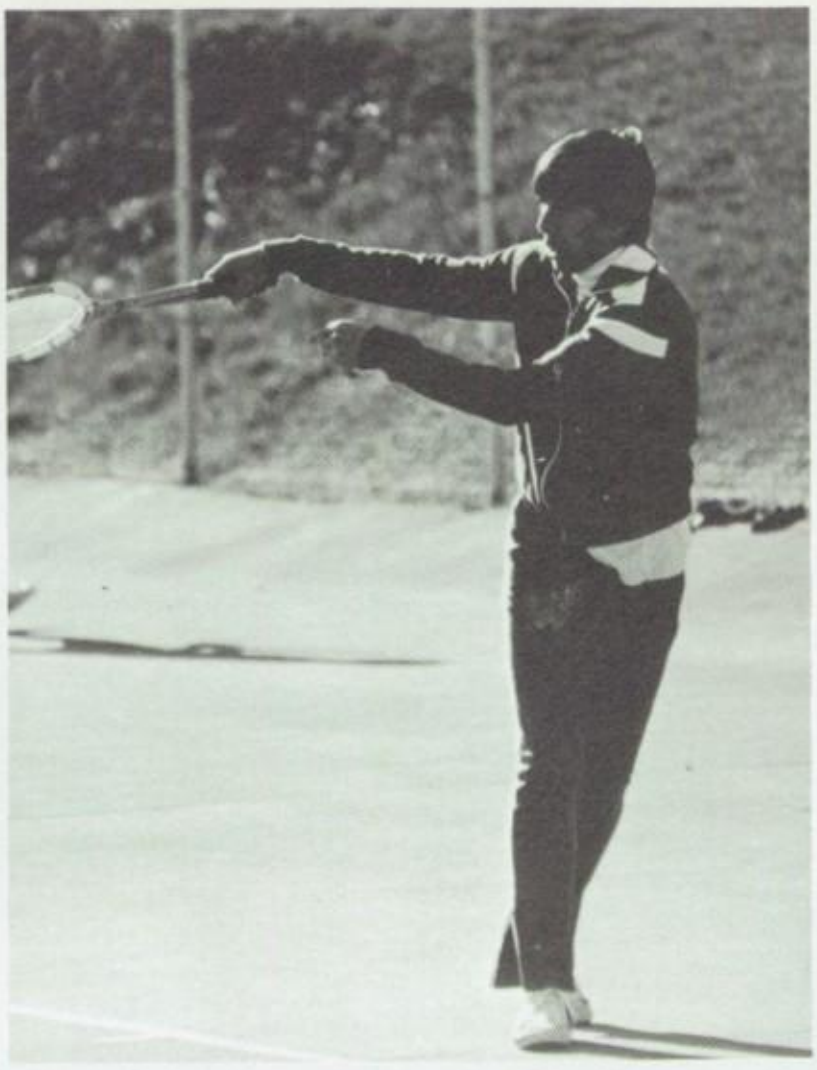
SPRING SPORTS

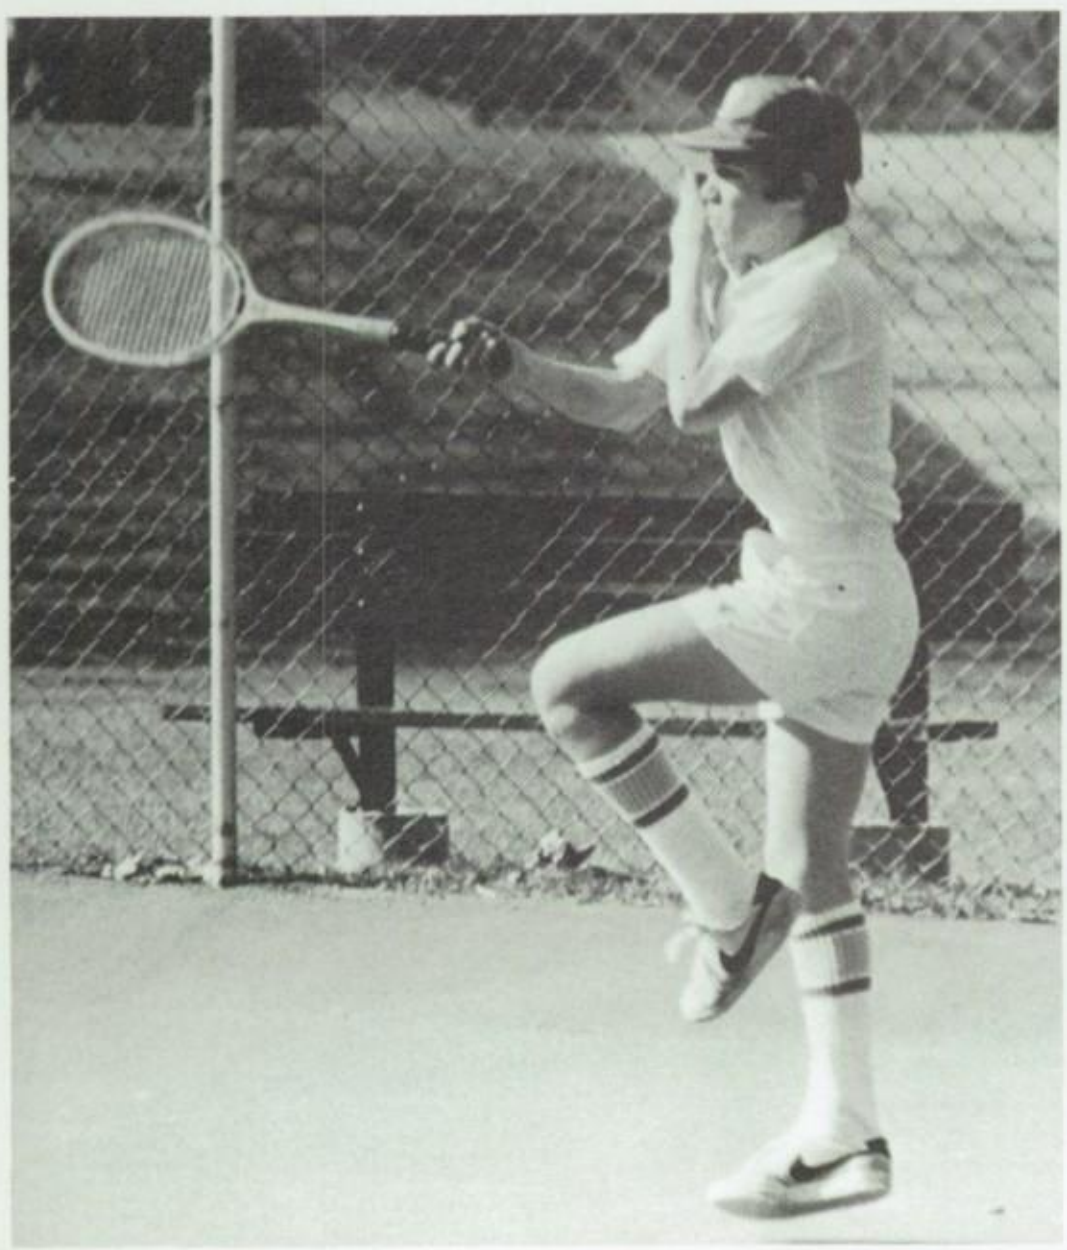
BASEBALL

Baseball fever hits V.A. early in April. Old players and new gather on the field, eager for the first game. The season is exciting, filled with the thrill of the first time at bat and the first home run. "Billyball" is truly a fun sport.



TENNIS

This year, the two men's tennis teams had to absorb the female tennis players who had no team of their own. Ladies and gents shared the court in practice and competition. It was a season that will not soon be forgotten.



LACROSSE

Lacrosse is a year round sport at the Academy, but its actual season is in the Spring. Then, all the people who have been throwing the ball around since September collect as a team and unite their talents, forming one of the most formidable teams in the region.

TRACK

The 1982 Track team had a very successful season winning many of their meets. Some meets were highlighted by record breaking performances in the Intermediate Hurdles, High Jump, and the Mile Relay. Besides these outstanding performances, V.A. also placed well in the 800m, 400m, 1500m, and 3000m runs.

Back row: C. Trombetta, P. Kelly, P. Spohrer, M. Gebhardt, A. Tobias. Front row: J. Brown, D. Roth, B. Defuto, J. Holstein, T. Mitchell.

CYCLING

The Vermont Academy Cycling Team, although fairly new, has already made a prominent name for itself in the New England Racing Circuit. The team was undefeated in the fall with strong riding by all the team members.

During the Spring vacation most of the riders went to Florida for early training. This, in addition to previous skills and experience, made for a strong season of racing.

An Ode to Vermont Academy

"In a storm we found the calm,
A place to us unknown.
As from the scriptures in a psalm,
This place became our home.

It fostered us and nurtured us
And helped us on our way.
Though we all love it dearly now,
We find we cannot stay.

For life has many other roads
with greater goals to find.
So with a tear of deep respect,
We leave Vermont behind."

— Falko Schilling
